Applications open for BRC post-doctoral support

Date:

11 June 2018

We are pleased to again offer time-limited funding to support high calibre individuals who have clear long term plans to pursue a clinical academic career. Our post-doctoral support scheme aims to support individuals while they prepare competitive applications to external funding bodies for Clinician Scientist Fellowships (or equivalent).

For further information and the application form, please visit:

<https://www.cancerbrc.org/training-career-development/opportunities/brc-post-doctoral-support>
[5]

Applications must be received by Monday 03 September 2018.
