Terms and conditions

This website is maintained for your personal use and viewing. Access and use by you of this website constitutes acceptance by you of these terms and conditions that take effect from the date of first use.

Definitions

All references to 'you &/or your' means you and 'we, us, our' within this policy means the Biomedical Research Centre at The Royal Marsden NHS Foundation Trust and The Institute of Cancer Research, London.

Copyright and intellectual property

© The Royal Marsden NHS Foundation Trust 2015

The material featured on this website is copyright The Royal Marsden unless otherwise indicated. You may reuse Royal Marsden copyright protected material (not including logos) free of charge in any format for non-commercial research, private study or internal circulation within your organisation. The material must be acknowledged as Royal Marsden copyright and you must reference its source (the URL of the page or simply www.cancerbrc.org ^[5]).

Where we have identified any third party copyright material you will need to obtain permission from the copyright holders concerned.

The logos used on this website are proprietary marks of their respective owners and copying of our logo or crest is not permitted without prior approval.

Linking to this website

You do not have to ask permission to link directly to pages on this website. We do not object to you linking directly to the information that is hosted on this website. However, we do not permit our pages to be loaded into frames on your website; pages on our website must load into the user's entire window.

Links from this website

We are not responsible for the content or reliability of any websites linked to from this website.

A link from this website should not be taken as endorsement of any kind. We cannot guarantee that these links will work all of the time and we have no control over the availability of linked pages.

Medical information

We are unable to offer medical advice or professional services via this website. As is standard practice, referrals for expert opinion or treatment can only be made by medical practitioners and not by patients themselves.

The medical information provided on this website is not a substitute for professional medical care. If you have, or suspect you have, cancer you should consult your own GP as quickly as possible.
