What does the future hold for breast cancer?

Event Date:

01 October 2019 17:00

Register now for our patient, carer, family and friends event on Tuesday 1 October 2019.

An evening of the latest clinical research innovations in breast cancer and what this means for prevention, treatment and care.

Date: Tuesday 1 October 2019

Time: 17:00 - 20:00

Location: The Royal Marsden NHS Foundation Trust, Sutton - (Lecture Theatre at The Institute of Cancer Research, Brookes Lawley Building, 15 Cotswold Road, Sutton, Surrey, SM2 5NG)

Join us at our open evening to:

- Meet our world-leading clinicians and researchers
- Learn about breast cancer, and your health and care
- Discover new approaches and treatments being developed
- Ask your questions, share your thoughts, shape future research

A buffet and drinks reception will be available after the event, alongside the opportunity to visit our charity and information stands.
