Patient and public involvement and engagement: training resources

We offer training and support to patients and the public who are involved in research, in addition to researchers to help them involve patients in their work.

PPI/E training opportunities

Internal training opportunities

The Royal Marsden offers training and support for patient and public involvement and engagement, led by Dr Markella Boudioni, PPI/E Lead.

There are currently no upcoming training events at The Royal Marsden.

In November and December 2019 we held a training event for researchers, patients and members of the public '*Patient and public involvement and engagement: an introduction*' across The Royal Marsden's sites in Sutton and Chelsea.

[Download the event programme](#) ^[8] to find out more about the PPI/E training and support offered.

External training events

The Imperial College Patient Experience Research Centre (PERC) offers Public Involvement in Research training sessions, suitable for researchers, patients and members of the public.
